Rule making related to controlled substances and precursor substances

The Board of Pharmacy hereby amends Chapter 10, “Controlled Substances,” and Chapter 12, “Precursor Substances,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code sections 124.201 and 124B.2(2).

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code sections 124.201 and 124B.2(2).

Purpose and Summary

These amendments temporarily identify three List I chemicals (used in the illicit manufacture of MDMA/“ecstasy”-type substances and amphetamine/methamphetamine) as precursor substances and add the following four substances into the Iowa Controlled Substances Act, both actions in response to similar scheduling action by the federal Drug Enforcement Administration:

- Two hallucinogenic substances into Schedule I,
- One FDA-approved ADHD medication into Schedule IV, and
- One FDA-approved migraine medication into Schedule V.

Public Comment and Changes to Rule Making

Notice of Intended Action for this rule making was published in the Iowa Administrative Bulletin on August 11, 2021, as **ARC 5837C**.

The Board received one written comment in opposition to the placement of the substances in Schedule I. The Board declined action on the comment, because the scheduling action is in response to the same placement at the federal level.

A change from the Notice has been made to update the subrule numbers in order to account for a change in rule 567—10.39(124), which was rescinded and replaced with a new rule in **ARC 5914C**, IAB 9/22/21.

Adoption of Rule Making

This rule making was adopted by the Board on November 10, 2021.

Fiscal Impact

This rule making has no fiscal impact to the State of Iowa.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Board for a waiver of the discretionary provisions, if any, pursuant to 657—Chapter 34.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its [regular monthly meeting](#) or at a special meeting. The Committee's meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).
